

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

ASUHWO General Senate Meeting 17-006 called to order at 3:04pm on October 4, 2016 in room D-104.

Members Present

President Isaiah Baclaan
Vice President Haylie Culp
Secretary Lehua Gould
Treasurer Elizabeth Gustafson
Sophomore Class Senator Christielove Espinosa
Education Senator Lydia Haff
Student Caucus Ambassador 1: Joyleanne Santos
S.L Coordinator Rouel Velasco

Members Not Present

Distance Learning Senator Shermila Sioson – excused

Guests

Steven Taketa
Sara Aiello

Quorum

Yes

Open Guests Forum

Sara Aiello: I know you have all been inquiring with Vice Chancellor Moniz about our library hours. We are working on it and hopefully; very soon, our hours will be changed.

Steven Taketa: I was asked to be here today to explain to the senate how to connect people with the proper on-campus services for the *R U OK? Day* campaign. It is really easy to connect people with the mental health services; If it's an emergency, meaning the person is going to hurt him or herself or other people, you should either call security or 911. If it is not an emergency and the person just needs support, UHWO offers mental health services to all students. Even if they are not students, I can get services approved to be offered to them by the Vice Chancellor. We do couples counseling, individual counseling, and we also do psychological testing. With that being said, all they would really need to do is to call or email me to set up an appointment.

Seconded by: Elizabeth Gustafson

Vote: Unanimous

Reading of Agenda

Motion: to approve the agenda for General Meeting 17-006

Motion by: Elizabeth Gustafson

Seconded by: Lehua Gould

Vote: Unanimous

Internal Reports

1. President

Last week I attended the Transportation Committee Meeting, where we discussed the update for the bus shelter. The university is working with the state and they had to send plans back to the state due to the sidewalks but it should be taken care of. We are looking at hopefully installation soon. They haven't been able to give me an exact date as they are still waiting to hear back from the state. We also passed the budget and they have put up all of their meeting dates on the UHWO events calendar for transparency. I was also asked by Vice President Culp to discuss the possibility of signage for the Pueo Shuttle. I was informed that there will be an A-Frame displaying the times of availability and contact information for students, which will be brought in at the end of each day by shuttle drivers.

The Technology Committee is still working on developing a budget and they are brainstorming different initiatives to play a part in.

I attended the Caucus Meeting and I contacted Kyle Nadres, he previously ran for the position of Business Administration Senator, and spoke with him about appointment; he seems to be interested. Lastly, I am still working on contacting our Chancellor and Vice Chancellors in regards to participating in our upcoming events.

2. Vice President

I sent out a Doodle Poll for everyone to fill out so that we can set a training date. I understand that some people have said that they cannot make it on those days so we need to determine when you can be on campus during those times. The beginning of this training will be used to train newly elected senators and the second half of the training will be for the entire senate. The training will cover working in advocacy and how to properly advocate on the behalf of ASUHWO students. It is essential that we are all able to attend a training day so if everyone can take a look at their calendars, towards the end of the month, and request off of work now.

Also, as we've met with all of these different committees and individuals, we've been hearing a need for more scholarships and opportunities on campus in order to further support students. I've been looking into this and there are actually a lot of student governments that offer senate programs where a student can apply for a scholarship and receive an award. At UHWO, we would not call it a scholarship as this could impact student's financial aid but what we could do instead is look into using a voucher program

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

or maybe a gift card to the bookstore so that students can buy books each semester. We will continue to look into ways in which we can help students access those resources; This would be an interesting initiative for the entire senate to take part in as this would be a great training initiative for all new senators.

Lastly, if we all take a look at the asuhwo.com website, you'll notice that there is quite a bit of information included on the website and it looks somewhat cluttered and may be making information hard to access for our students. As student life activities now has its own webpage and because UHWO will be posting more information on its main webpage, there are multiple tabs that can be removed from our webpage that used to be dedicated to those aspects of campus life. As we are all in agreement, we will be removing this aforementioned information and Haylie and Lehua will be further collaborating on this project. They will produce a report of information that will be removed and added and will present this to the senate before making any major changes to the website.

3. Secretary

I have a report for the No'eau Center Funding Ad Hoc. My main focuses at this time have been to accurately record the minutes for both our General Meetings and Executive Committee Meetings and to maintain the website; I have just posted the elections results to our webpage. Lastly, I will now be working with Haylie to make the website more efficient as I too was concerned with having too much information on our website.

4. Treasurer

I met with Kelly Fugino who will now act as a go-between for ASUHWO and other student organizations and the UHWO business office. Our current account balance, before last weeks Special Elections event, was \$28953.37. This semester, we've collected \$14,445 from student fees. This is very exciting as it reflects that our attendance rate has gone up and we will be receiving an exact count of the number students the university services later this week.

As it will be made a new duty of the ASUHWO Treasurer, I have also met with VCAA Kevin Ishida to give us an update of the happenings of Academic Affairs in order to keep communication lines open and have transparency between departments. We did discuss the 2016 Legislative session and what the university will be proposing. He also informed me of a new UHWO employee, Bonnie Arakawa, who will be taking the place of Blake. She had previously worked for the City and County of Planning and Permitting Department.

Vice Chancellor Ishida also informed me that they are working on a long-range development plan (LRDP) for which they are discussing the placement of new buildings. They would like an ASUHWO senate member sit on this board, which I have volunteered to do. In current plans, the Allied Health Administration Building will be developed within the next month or so and will be located between the Great Lawn and overflow parking

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

lot. Also, the Creative Media building is set to be placed behind the library near the 'Ulu'Ulu Room, as there is already creative media equipment in this section of the library. Lastly, the extra, temporary overflow parking lot will be located on the opposite side of the paved parking lot. This lot will have a thin layer of concrete to help protect student's cars as many have reported damages from parking in the unpaved, overflow lot. We are referring to this lot as temporary because if it is temporary we can keep it, otherwise, we'd incur many other costs. There will be solar lights so that there is lighting available for students, as opposed to not having lights, which is the case in our current overflow parking lot.

Lastly, in regards to flight arrangements for our Distance Learning Senator Shermila Sioson, she just informed me that she will be available to attend our Town Hall. With that said, I will be sending that information off to Kelly.

I also forgot to mention that I will be meeting with Kelly Fugino once a month, at the end of each month, to review our current budget and account balance.

5. Advisors

a. Student Life Coordinator

So that the entire senate is aware, we will no longer be communicating with Kay as we now have Kelly who will be the sole assistant to the entire Student Life in terms of fiscal and administrative activities.

Also, the Hoot is reserving a section in our school newspaper for ASUHWO to include a report concerning our current projects and initiatives; the Hoot can act as an additional platform for the senate to communicate with other ASUHWO students in regards to advocacy concerns, current bills and resolutions, and upcoming events. Mahalo to Haylie for drafting a write-up this past Monday.

I will be working with the Hoot to coordinate dates for the semester so that we are aware of a due date for our ASUHWO report.

6. Standing Committee Reports

a. Budget and Finance

We met last week to review, for first reading, two bills that will be brought before the senate during this meeting. We will also be having another meeting next week from 3:30pm - 4:00pm. Although we did not review this bill during our Budget and Finance Committee meeting, a third bill will be brought to the senate today for first reading regarding supplies for our R U OK? Day event; this will be a special order.

b. Activities

We also met last week and began discussing the construction of the life size *Connect Four* and the details of our R U OK? Day event.

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

c. Legislative

We also met last week and looked at the ALA Aloha Girls State Resolution. The resolution was submitted to the committee and we then went through and made the necessary changes. Aside from this, what we will be looking at from here on out is any resolutions coming in and further investigating the specific duties of senators as compared to what they are actually doing and if what they are expected to do is feasible.

7. Ad Hoc Committee Reports

a. No'eau Funding Ad Hoc Committee

I met with Judy to discuss No'eau Center funding and she shared with me that the Center is funded as a service to the students. The issue is that the events that they are offering, such as Cram Jam and West and Welaxation, are not defined as necessary services needed to be provided to students. For that reason, she felt that it was not right to create an entirely new fee in order to fund those additional services or events hosted by the No'eau Center. She feels that the SAFB or CCB should have the funds to cover those events if those funds are applied for by the No'eau Center.

Rouel: I discussed my views with Judy and shared with her that similar to any other group, the No'eau Center can ask for a lump sum of money. My question is then, what is the money for? Will it be used to fund events or is it to fund employment? We all have been hearing that our campus is experiencing budget cuts. With that being said, are we now being expected to fund positions? I am asking those questions for clarification as this is the issue we are looking to resolve. What exactly is the money for?

I also spoke with Jean and we discussed the possibility of the No'eau Center submitting a fund request for the entire year to cover all events.

Lehua: I briefly spoke with Rebecca Carino and she clarified that the funding that the No'eau Center is looking for is solely for events; no money is being asked for to fund or create positions. Our positions of employment are funded through various grants that have been able to take care of all employment needs of the center. With that being said, as you mentioned Rouel, applying for funds for events for the entire year seems like an awesome idea.

Rouel: Personally, it seems that the No'eau Center wants to by-pass the application process; they want to automatically be awarded the funding for each year without having to apply for the funds. We cannot do this as SAFB because we will then be questioned by all other groups that hold the same events each year but each year, need to reapply.

Lehua: I completely understand all that is being said. Therefore, I will take this information back to Rebecca Carino and see if applying for funds for the entire

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

year would be appealing for the No'eau Center.

Elizabeth: I met with Vice Chancellor Ishida and he discussed with me positions that the University is lobbying for, and the No'eau Center is not included in this. They are lobbying for a tenure faculty position, a distance learning faculty position and one supporting position, an indigenous education position, a job placement and career counselor, a nurse and wellness educator, and an APT compliance case manager, and an academic success advisor.

Various departments on campus have identified the need for these positions and Vice Chancellor Ishida has expressed that they try to allow all departments an opportunity to voice their needs. With that being said, if the No'eau Center needs positions, they should bring that up for the 2018 legislative session.

Isaiah: That is great information Lizzy, but I think there may be a bit of confusion. The No'eau Center is not asking for position funding, they are asking for programming funding. They are not asking for employee pay, they are asking for funds for events that they host.

Haylie: We should be very careful of the way in which we talk about this issue out in the campus community because I've heard a few students mention that the No'eau Center can't afford positions and I'm not sure where this information is coming from; there is a lot of different information floating around campus. With that being said, we need to be careful of what is being said around campus.

Lehua: The assumption that we don't have funding for positions is coming from the fact that students are having a harder time getting tutoring appointments. The reason they can't get appointments is not because we are lacking funding for positions, but because we are having a hard time hiring tutors. Not too many people have been applying and those that do apply, sometimes back out of accepting the job because they are offered another job somewhere else. But over hiring could be problematic for current tutors as we will lose hours and this is our only source of income. With that being said, rumors around school are of the students own making and not because we are publicizing false information.

Rouel: My question is then, what prompted this entire discussion? Last spring, No'eau Center didn't need to apply; SAFB supplied Cram Jam monies. So why is the Center trying to find an alternate way to get money for these events.

Lehua: Rebecca Carino has not met with me, therefore, I do not have an answer to this question. With that being said, I would encourage the No'eau Center to meet with SAFB directly to discuss these matters because having Isaiah and I act as mediators is not necessary or effective.

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

Rouel: Yes, I would like to meet with Rebecca to further discuss this matter.

Isaiah: I would also like to add that in meeting with Judy, we discussed the fact that the No'eau Center is now creating its own student group, N.E.R.D.S. Judy thought that I'd be a good idea that if they did need more funding, their student group could apply for those funds. This may be better to have students ask for event funding rather than faculty members asking for funding as students are in a better position to identify student needs. But I do agree that we need more information before we close this Ad Hoc Committee.

b. Island Liaison Ad Hoc Committee

Shermila hasn't contacted me regarding this just yet, so I will be discussing this matter with her further when she arrives for our Town Hall meeting. I emailed Daniel to find out who he had worked with from other islands but I am waiting for his response.

Rouel: There is a contact person on each of the islands temporarily. I still need to update the list of who those people are because the master list of students is a bit messy. Technically, I do have the capabilities to solicit to students on other islands in order to find one student from each island to serve in the capacity. Something that you folks will want to think about is if these are liaison positions rather than senator positions, what would the responsibilities look like and what would we require of that person.

8. Senators Report

a. Distance Learning Division Senator

Aloha everyone,

Hope you are all doing great.

I was trying to pull up the email for the minutes last meeting, but cant seem to find it. Not sure if it was sent.

I don't have any much for the updates. So far, I got the access for our former distance club's Facebook page. I am planning to use the page to connect to distance students who liked the page and maybe put some news and current updates on what's going on in the campus. Any suggestion for posting will highly appreciated.

Also, I am still in contact with Melissa Mauiola from UH Maui College to help get involved with transfer fair. I believe there is one coming up this month.

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

Regarding the student liaisons for each island, I think it is a great idea. It will be easier for the senate to get the distance students involved, as they are the ones who know what's going on in their campus.

Also, I got approved to join the Swear in Ceremony, and I am excited to meet you all.

b. Sophomore Class Senator

During last week's Budget and Finance Committee meeting, the bill to construct the life size *Connect Four* passed its first reading and will be voted on today later in the agenda. The purpose of the *Connect Four* game is to act as a surveying tool to survey student needs. I have created a Google Doc for you folks to contribute questions to that will be used in producing this game. Also, thank you Rouel for sending out notes from our Summer Training; the topics we discussed during this training will help us to develop necessary questions to ask students. I will also be contacting you folks for help with painting the *Connect Four* game. I can construct it myself but I may need help painting.

c. Education Division Senator

I am trying to plan for a constituency meeting where I will bring testimonials from education students. I need to tie in the NEA because I have a responsibility to them too, they have a back to school campaign where we're supposed to ask, how can we better support you and I thought that this would fit together well because we can address the issues with the campus and try and address those within the campus but in between the spaces we can use NEA's and HSTA's resources to help boost the students up from what they're lacking. HYPE's representative for UHWO was just appointed so he's really excited to get involved in everything and I just need to coordinate with him to plan the constituency meeting. Haylie helped me come up with a name, it's Teacher Two-Cent Town Hall. I also need to meet with my SNEA officers. I am hoping to go through a calendar of classes and find an available time to hold the meeting so that a large amount of upper division students can attend as they may have more detailed testimonials. I am also hoping that these town hall meetings will be a monthly occurrence.

9. Caucus Ambassador

We met on Saturday, September 24, 2016. It was primarily a training meeting for all new Caucus Ambassadors, Presidents, and Vice Presidents of the schools within the University of Hawai'i school system. Firstly, we reviewed the constitution and will be working towards bringing a revised version to the UH system President so that we'll have an updated constitution for 2016. Secondly, the Vice President for Budget and Finance and the Chief Financial Officer for the UH system, Calbert Young, was our guest speaker and he gave a presentation on the State of Hawai'i Budget 101. He discussed

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

many different methods of funding for our university system. Within the budget that we present, there are eight program IDs; UOH700 is the ID for UHWO in the state budget.

Right now, they are working on creating a two-year budget to present to the Board of Regents who will then take the budget to the governor. For that reason, everything we need in the upcoming two years needs to be proposed now.

There are two parts of the budget: operating and capital. He also went over the budget proposal process with us. He also informed us of the four strategic directions of the university which consists of the Hawai'i Graduation Initiative, 21st Century Facilities, Hawai'i Innovation Initiative, and High Performance Mission Driven System. He also talked about our collective vision and how the UH system has the most integrative system in the country. As far as a timeline, they are hoping to take their budget proposals up on November 3rd and then meet with the governor on November 17th.

We also had a second guest speaker, Stephanie Kim Director of Government Relations for the UH system and she gave us a Legislative Process 101 presentation, discussing ways to get to know your legislators, how to approach them, ect. She has offered to give this same presentation at each of the campuses; this is definitely something we could utilize for our senate training.

Our last guest speaker was our Student Reagent, Brandon Higa, and he discussed with us the responsibilities of his position and shared with us that he is not necessarily a student advocate because as the Student Reagent, he does have to look at all working parts of the UH system, so he is not necessarily the direct line between the students and the board. With that being said, his vote counts for the system as a whole and not solely for the students. We also asked him questions concerning the Board of Regents and how they would maintain affordability with the UH system and if they are looking to change any managerial processes of the system, for example, how Vice Chancellors are hired. We also asked if the BOR would be willing to meet with individual student governments and he informed me that as long as there is purpose for the meeting, they'd be more than willing to meet.

Finally, we discussed scheduling of student caucus meetings for the rest of the year and we decided to have them on the Saturday before the Board of Regents has their committee meeting. Our campus is looking at hosting a Caucus meeting in December. If so, the only date that we will be available to host the meeting will be on December 3rd, as the entire campus will be closed after commencement. They mentioned that when we host this meeting, campuses are responsible for making reservations with the vendor and Caucus has allotted \$500 for meals.

Our budget is \$30,000 and we are planning to utilize all of these funds because in order to keep being awarded this same amount. There will be an update of the Caucus website and all other training for Caucus is still in planning.

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

We also had Caucus elections and Joy is the secretary. Things we plan to continue discussing is having a conference for all student governments, revisiting last years Ambuds Resolution, legislative training, Student Activity Fee Changes, Designated Smoking Areas, Title IX Transparency, and Distance Learning and Streamlining for Dual Campus Students.

10. Campus Committee Report

a. Communications Committee

Leila from the Communications Committee responded to my email saying that she is very excited to have student representation on the committee. She said that I can appoint one or two people to serve on this committee. Therefore, I will be sending out the meeting dates to everyone so that you can all decide whether or not you'd like to serve on this committee.

b. Transportation Committee

The budget was passed and signage will posted to advertise to students shuttle hours and shuttle contact information.

c. Technology Committee

They are looking for initiatives to work on. They brought up a former senator initiative regarding providing phone charging stations throughout the library for students. They are interested in continuing this initiative as well as looking to take up other initiatives.

d. Health Committee

The budget was passed online through email.

e. Strategic Planning Committee

We met on September 21, 2016. Sheril has resigned to move into the main system office to work with the financial aid strategic plan. We have assigned two people, Jan and Ross, to administer when our next meeting will be held and we will share that with the senate as soon as these dates are confirmed. Aside from this, we will be continuing to work on our implementation plan, meaning a plan on how to effectively report our progress to our new chancellor. I will also be helping to create an informative matrix that will foster campus awareness of our strategic plan. Lastly, we as a committee, within smaller committees that had been assigned to a part of the strategic plan, are in the process of following-up with each particular part of the strategic plan and if those parts have been fulfilled.

f. Chancellor's Search Committee

All of the invested groups have discussed the pros and cons of each Chancellor candidate and we have come to a final decision regarding how we will advise the President in making his decision. Therefore, a final listing with all the necessary information will go to President Lassner and he should be making his recommendation at the next BOR meeting. After that, we will

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

follow-up with the process of whether they accept the recommendation for the Chancellor or not. We should be meeting one more time to formally welcome the Chancellor.

Unfinished Business

1. Swear in Ceremony/Town Hall

I am still in the process of inviting people to this event, but I will be sending out an agenda immediately following this meeting. Chancellor Ching has informed me that she will not be present for the Swear in Ceremony, as she will only be available from 10:30am - 11:00am due to other obligations. Chancellor Oliveira, Moniz, and Ishida have agreed to participate in the ceremony. I reserved the courtyard for that day and I will need help setting up the tent. I also received a list of catered items from facilities from which we will choose what we'd like to serve during the ceremony. This is a mandatory event and everyone is expected to be there as this event has been continuously discussed.

2. Fall Special Elections

Thank you to all who participated in tabling, passing out pizza, and getting people to vote. We were one vote away from matching last semester's total and we only were able to have people vote for one day; that is awesome. We also registered 37 voters in the actual election, therefore, we should continue passing out voter applications during this type of event as this completely encourages students to become involved within the democratic process.

3. ALA Aloha Girls State

The girls are working on who can be at our next meeting. This will be difficult as they are all still in high school and will be coming here after school. With that being said, we hope that they are able to join us soon.

4. Appointment for Caucus Rep

Motion: to approve Selina Blackwell as ASUHWO Caucus Ambassador

Motioned By: Lehua Gould

Seconded By: Elizabeth Gustafson

Vote: Unanimous

Yeas(s): [4] Vice President Culp, Treasurer Gustafson, Secretary Gould, and Senators Espinosa and Haff.

Nay(s): [0]

Abstain(s): [0]

5. R U OK?

RU OK? Day will be taking place all day on October 12, 2016. Dr. Taketa was kind enough to come and advise us of what to do in the event that someone is not okay, but if they are, we will have stickers to give to those who participate in this event. Dr. Taketa

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

will also be speaking to the Pueo Leaders this Sunday, as they will also be helping with this event.

New Business

1. ALA Girls State Resolution SR-17-01

Motion: to approve ALA Girls State Resolution SR-17-01

Motioned By: Lehua Gould

Seconded By: Elizabeth Gustafson

Vote: Unanimous

Yeas(s): [4] Treasurer Gustafson, Secretary Gould, and Senators Espinosa and Haff.

Nay(s): [0]

Abstain(s): [0]

2. Town Hall Refreshments Bill SB-17-02

Motion: to approve Town Hall Refreshments Bill SB-17-02

Motioned By: Haylie Culp

Seconded By: Lehua Gould

Vote: Unanimous

Yeas(s): [4] Vice President Culp, Secretary Gould, and Senators Espinosa and Haff.

Nay(s): [0]

Abstain(s): [0]

3. Connect Four Bill SB 17-03

Motion: to approve Connect Four Bill SB 17-03

Motioned By: Lehua Gould

Seconded By: Haylie Culp

Vote: Unanimous

Yeas(s): [4] Vice President Culp, Treasurer Gustafson, Secretary Gould, and Senator Haff.

4. RU OK? Supplies Bill 17-04

Motion: to approve RU OK? Supplies Bill 17-04

Motioned By: Lehua Gould

Seconded By: Haylie Culp

Resolved: RU OK? Supplies Bill 17-04 approved with the following amendments

- **Correct Line 6 to read “supplies” as opposed to refreshments**
- **Correct Line 7 to include the ‘okina in Hawai‘i**
- **Correct Line 8 to read “students” as opposed to “student”**
- **Correct Line 10 to read “an” as opposed to “a”**

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

Vote: Unanimous

Yeas(s): [4] Vice President Culp, Secretary Gould, and Senators Espinosa and Haff.

Nay(s): [0]

Abstain(s): [0]

5. CPR Training

The UHWO nurse, Lehuanani Akau, informed us that she will be fully qualified to teach CPR classes following October 23, 2016. I will be meeting with Lehua to further discuss these CPR courses and how to make this service available to all students. As of current, she has tentatively set dates for these courses depending on what stage of certification students are in. If they are renewing their certification, this class date will be on November 18, 2016. If they were not previously certified, they would attend the December 15th and 16th classes.

As of now, the greatest issue with these classes is funding because it was said that students would need to pay for these classes. Therefore, we need to further investigate if program funds were set aside to certify students or if it would be beneficial to bring in an outside source, pay a lump sum of money, and be able to certify a greater amount of students all at once. I will continue working on this and will keep the senate updated.

6. Ratification of Fall 2016 Special Election Votes

Motion: to ratify the Fall 2016 Special Elections Votes

Motioned By: Elizabeth Gustafson

Seconded By: Lehua Gould

Vote: Unanimous

Yeas(s): [5] Vice President Culp, Treasurer Gustafson, Secretary Gould, Senators Espinosa and Haff.

Nay(s): [0]

Abstain(s): [0]

7. Fall Fest

There will be a meeting tomorrow and we will inform the committee that we will be using our life size *Connect Four* game to survey student needs. We may also be using our giant *Jenga* game to also survey students.

Announcements and Open Forum

Rouel: October 26th will be our Fall RISO Rise Up from 3:00pm – 7:00pm

Elizabeth: October 27th will be our SAFB Halloween Party. I will keep you folks updated with

The Associated Students of the University of Hawai'i – West O'ahu 5th Senate of Kapolei

information on that.

Haylie: All senate members should be keeping track of their office hours. At this point, we should all have over 25 office hours. If you do not, make sure that you are in the office more often and log your hours. Tabling events can be used as office hours because you are making yourselves available to constituents.
